Friends of Grafton Lakes State Park, Inc.

PO Box 163

Grafton, New York 12082-0163

The purpose of the “Friends of Grafton Lakes State Park” is to support and promote the environmental education programs and other activities of Grafton Lakes State Park.

Environmental Education at GLSP is the utilization of the natural environment (i.e. forests, fields, streams and lakes as a resource for learning about and developing understanding and appreciation for the natural world that is so important to our survival on planet Earth. It may include but is not restricted to nature study, astronomy, trail riding, cross-country skiing, snowshoeing, fishing, canoeing, bird watching, pursuit of graphic arts (i.e. drawing, painting, photography), etc.

Members of the ‘Friends’ are able to

- (1) use the Nature Center for special programs;
- (2) participate in the conservation and enhancement of the Park;
- (3) promote educational activities and
- (4) receive Newsletter and informational updates on happenings at the **Grafton Lakes State Park.**
